Dear Lehigh Valley Non-Profit:

IronPigs Charities (IPC) supports charitable, non-profit organizations that are located within the greater Lehigh Valley area. Annually, IPC will provide funding to non-profits that provide educational and recreational opportunities to Lehigh Valley youth.

Throughout the baseball season, IronPigs players will wear specialty theme jerseys on pre-determined dates. Throughout the game, the jerseys will be auctioned off via a silent auction. Two team signed jerseys will be raffled off by volunteers. The proceeds from the auction and raffle will be split between the benefactor and IPC. Not only will your organization raise money for the organization, you will also increase awareness for your cause.

There are five jersey auctions throughout the season; IPC is looking for non-profit organizations to be the benefactors of these auctions. To be considered you must be a Lehigh Valley 501 (c)(3) organization, fit within the IPC mission and be able to provide 12 volunteers on the date of the jersey auction.

If your organization falls under these guidelines, I invite you to review and apply to be a benefactor of an IPC jersey auction. An electronic copy can be found at www.ironpigsbaseball.com/community/charities.

The IPC Board of Directors is committed to giving all applications full consideration. The deadline for 2010 jersey auctions is Tuesday, April 20th at 5 p.m.. In order to fully consider each application the application deadline is not flexible. All organizations will be notified of application status within one month of their selected jersey auction. Organizations that received grant funding in January will not be eligible for 2010 jersey auctions.

Again, thank you for your interest in IronPigs Charities. I look forward to receiving your application. If you have any questions please feel free to contact me.

Sincerely,

Sarah Marten
Director, Community Relations
